The book cover is made of reddish-brown leather and features extensive blind-tooled decoration. A wide border with a repeating diamond pattern frames the entire cover. Inside this, a series of rectangular and circular compartments are created by blind tooling. The central compartment is a rectangular label with a decorative border, containing the title in gold lettering. The label is flanked by vertical panels with circular medallions and topped and bottomed by panels with circular medallions. The corners are filled with diamond-shaped medallions. The overall design is symmetrical and highly detailed.
