The work will be completed in twelve fasciculi—each fasciculus containing six sheets of letterpress, and twenty plates. Price of each, One Guinea. Subscribers are requested to send in their names for the work, as the list will be closed and published with the end of the first volume.

As the plates of this work will be sufficiently numerous to form a volume by themselves, it is recommended that they be bound separately from the letterpress, and in a somewhat larger size.

The Map should be bound with the letterpress, but not till the work is completed, when the introduction, dedication, and title-pages, will be given.
